Dear Ms Hindle,

I'm writing on behalf of People for the Ethical Treatment of Animals (PETA) with a proposal that has the potential to help save members of God's creation as well as help fund the repairs needed to your beautiful church. In exchange for a donation from PETA, would you consider hanging a banner in the church encouraging the congregation to try a compassionate and healthy vegan lifestyle?

God created humans and other animals out of flesh, blood, and bone, and we're all the same when it comes to the things that count – like being able to feel pain, valuing our freedom, and wanting to raise our families. On today's industrialised meat, egg, and dairy farms, sensitive and intelligent animals are crammed by the thousands into windowless sheds, torn away from their mothers, mutilated, and denied proper veterinary care. After a miserable life, they're sent to an early death, and many are slaughtered while they're still conscious. Choosing to eat vegan foods spares animals this immense suffering while being kinder to the planet and to our health – plant-based eating has proved to reduce the risk of developing cancer, heart disease, and diabetes.

Jesus taught love and compassion for others – will you join us in promoting this most kind and compassionate of lifestyles? A link to the banner design is [here](#), and we'd of course see to the printing and mounting of it. Thank you for your time and consideration. I look forward to hearing from you and can be contacted at ElisaA@peta.org.uk or on 020 7837 6327.

Yours sincerely,

Elisa Allen
