

CALL FOR WHISTLEBLOWERS

Have you witnessed animal suffering on a UK dairy farm?

We encourage you to submit photo, video, or written evidence of animal welfare violations, such as the following:

- Split hooves
- Inability to stand up
- Untreated lameness
- Sores possibly caused by a lack of bedding
- Untreated mastitis
- Underweight calves
- Faeces coating cows' bodies
- Prolonged tethering in isolation
- Mistreatment during artificial insemination
- Inappropriate housing for calves
- Distress in mother cows or calves after being separated
- Any other form of neglect or physical or verbal abuse

E-mail your evidence in complete confidence to ReportCruelty@peta.org.uk.
