

**PETA** *Presents*  
**Hooves Down, the Best Mum!**

You've received a PETA Present! This gift in your honour supports Animal Rahat's work rescuing horses and other animals from abuse and labour, giving mothers and young safety and care.

I've made a gift to PETA in your honour. The group's vital work to oppose speciesism and promote animal rights is changing the world and ending the hideous suffering that animals endure for experimentation, food, clothing, and entertainment.

Thank you for everything you do to help animals.
