

Happy Barkday!

PETA *Presents*

Happy Barkday!

*Paws for celebration – this gift in your honour helps keep dogs in loving homes and brings kindness to all animals.
Time to raise the woof!*

I've made a gift to PETA in your honour. The group's vital work to oppose speciesism and promote animal rights is changing the world and ending the hideous suffering that animals endure for experimentation, food, clothing, and entertainment.

Thank you for everything you do to help animals.
